

Marketing Bulletin 95-2020

Date: September 30, 2020
From: Panini Marketing & Supply Chain **To:** Customer base
Resellers and Distributors
Product: MFS-A4 – aka ScanStation

Subject: Full-page scanning Docking Station for Vision X phasing out

Panini is hereby announcing the Sunset and End-of-Life for the MFS-A4, also known as “ScanStation”, a page scanning docking station for the Vision X, part of the MFS (multi-function system) project:

Product	Code
A4/page scanning docking station (“ScanStation”) for Vision X Multi-Function System; Smart Card reader/writer; open USB port usable for thermal printer OR other peripheral	MFVX.A4P.SCN.B

The Sunset (End-of-Sale) is issued with immediate effect (September 30, 2020).

IMPORTANT NOTE: the ID card (rigid document) front & rear imaging functionality is included with no additional charge in the Panini Vision neXt and EverneXt check scanners. These devices may be upgraded, using the UP.TRUECOLOR payable option, to 600 DPI TrueColor scanning capability, which makes them compatible with Panini’s ValidatID identity verification solution.

**Sales and Marketing**

After the official Sunset date Panini will not be able to guarantee fulfillment of orders for this product, but we invite you to contact your Sales representative in case of need. The product has limited stock: orders will be accepted and fulfilled on a “first come first serve” basis until December 31, 2020 or until depletion of remaining stock, whichever comes first.

Product literature is available on panini.com, on the PartnerPlus portal, while our Global Technical Services can provide technical documentation upon need.

Support and Parts (End-of-Life)

Technical support for the mentioned product will be provided to Panini customers, directly or indirectly, for 3 years after Sunset, i.e. until September 30, 2023. Existing service contracts will be honored until the End-of-Life date or contract expiration date, whichever comes first.

Contact

Please contact your Panini Sales Representative for more information and for **special End-of-Life pricing** until supplies last.
