

# Total Protection Services

## Full Lifecycle Services

*Eliminate coordination of multiple vendors to maintain and repair business technologies*

Reduce time and effort by consolidating to a single source for all technology needs nationwide. With wide coverage in repair and maintenance expertise, **Full Lifecycle Services** offers peace of mind with one call to solve your toughest equipment repairs across major brands and technologies.

**Full Lifecycle Services is brand agnostic and covers an array of makes, models and categories such as:**

- **Payment & Transaction** Check scanners, payment terminals, currency management systems, and EMV card printers
- **Office & Documents** Printers, copiers and document scanners
- **Computers & Network** Desktop hardware, laptops, digital displays, network hardware, Wi-Fi
- **Visual & Communications** Communication systems, kiosks, digital signage, and AV equipment

- ⚙️ **Includes both on-site and depot repairs by fully trained technicians**
- ⚙️ **Authorized by major equipment and device manufacturers**
- ⚙️ **Custom Service Level Agreement bundles a unique service and repair portfolio**
- ⚙️ **Tailored Statement of Work for all sizes and scope to meet your uptime and budget requirements**
